**SWINDON**

**READING**

Into The Unknown, Barbican Centre, London : <https://vimeo.com/292305221>

A large crowd of people at night, many holding up their smartphones to take photos or videos, illustrating the attention economy. The scene is filled with the glow of many small screens, creating a sea of light against the dark background. The text is overlaid on a bright green rectangular background.

**A CHANGE IN THE  
ATTENTION ECONOMY**

Creating exhibit prototypes

Thank you
