*Who Are We Working For?*  
*What Are We Working For?*

## *Questions From Dr Karen Salt*

*Can we engender new futures from totalising impulses of old frames?*

*And where and how can we hold open the potential that this re-visioning offers as we move, migrate and grapple with the many presences, invisibilities and hypervisibilities that meander through our worlds?*

*What does it mean to do criticality - and remain whole- in unjust space?*
