

# English crossovers

---

Dr Francis Gilbert

# Democratising creative writing

- Creative writing can be used across many different subjects and for many different purposes:
- Healing
- Exploring
- Vending
- Connecting with other texts (intertextuality)
- Activism
- Learning
- Gilbert, F. (2021) 'Why Teach Creative Writing? Examining the Challenges of Its Pedagogies', *Changing English*, 28(2), pp. 148–168. Available at: <https://doi.org/10.1080/1358684X.2020.1847048>.

# Researching

- Action Research
  - Autoethnography
  - Creative writing as research (practice research)
-
